

Dear Parents, Students and Teachers,

Assalamualaikum.

We are immensely delighted to announce that, BAF SEMC is going to switch its online educational platform from “Zoom” to “Google Workspace [G-Suite]” to conduct the regular classes and other extracurricular activities, after Eid vacation. Google workspace/ G-Suit is user friendly and broadly accepted. Since, majority of the students dream to have their higher studies abroad, it is an added advantage for them to be familiar with this virtual platform.

To serve this purpose, a new email id is created for each student which is already provided through Class Tune. Parents are requested to enroll their ward/wards to the new system by joining the Google classroom with the new email ID. Pls note, personal email address will not be applicable in this new system.

Please feel free to contact for additional support:

The class teachers contact numbers are available in School website [www.bafsemc.edu.bd]

Md Nazrul Islam, Sr. Teacher (ICT)-(01715048860)

Md Anwar Hossain, (A Level Coordinator)- (01712531475)

Thank you for your virtual cooperation.

Regards

Principal

BAF SEMC
